FULL NAME	
Dhanraj L. Chivukula	
Email: techbykrishna@gmail.com	
Phone: +91 84740003	
EDUCATION	
Master's Degree of Technology	
Master of Computer Science (MCS), IITM	
Bachelor of Science (BSCS), Maharashtra, India	
Bachelor of Science (BSCS), Maharashtra, India	
SKILLS SUMMARY	
• Languages: Python, SQL, Java	
• Frameworks: Django, Flask, Spring Boot, Hibernate	
• Tools: Docker, Kubernetes, Jenkins, Terraform, Ansible, Git	
• Platforms: AWS, Azure, GCP, Oracle Cloud, IBM Cloud	
• Database: PostgreSQL, MySQL, MongoDB, Redis, Cassandra	
• Other Skills: Cloud Architecture, DevOps, Data Engineering, System Design, Problem Solving, Team Management, Excellent Communication	
WORK EXPERIENCE	
Business Analytics Intern (B.A.I.)	
January 2023 - March 2024	
• Collaborated with cross-functional teams to analyze business data and provide actionable insights.	
• Utilized Python and SQL to extract, transform, and load data from various sources.	
• Developed and maintained data pipelines using Apache Airflow and AWS Glue.	
• Conducted data quality checks and ensured data accuracy throughout the process.	
• Presented findings and recommendations to senior management.	
Product Development Intern (P.D.I.)	
April 2023 - June 2023	
• Assisted in the development of a new web application using Python and Django.	
• Designed and implemented database schemas for the application.	
• Collaborated with the frontend team to integrate the backend services.	
• Conducted unit testing and integration testing to ensure the application's functionality.	
• Deployed the application to a cloud environment and monitored its performance.	
Cloud Solutions Architect Intern (C.S.A.I.)	
July 2023 - September 2023	
• Designed and implemented cloud architectures using AWS, Azure, and GCP.	
• Conducted cost optimization analysis and implemented strategies to reduce cloud costs.	
• Collaborated with the development team to migrate on-premise applications to the cloud.	
• Performed security audits and implemented security best practices for cloud environments.	
Healthcare Data Analyst Intern (H.D.A.I.)	
October 2023 - December 2023	
• Analyzed healthcare data to identify trends and patterns.	
• Developed predictive models using machine learning algorithms.	
• Collaborated with healthcare professionals to understand data requirements.	
• Presented findings and recommendations to the healthcare organization.	
Programming in Python (B.A.) CERTIFICATE	
March 2023	
• Received certificate for successful completion of the Python programming course.	
• The certificate is awarded to the student for their dedication and hard work.	
Introduction to Data Science (B.A.) CERTIFICATE	
March 2023	
• Received certificate for successful completion of the Data Science introductory course.	
• The certificate is awarded to the student for their dedication and hard work.	
Foundational Data Science (B.A.) CERTIFICATE	
March 2023	
• Received certificate for successful completion of the Foundational Data Science course.	
• The certificate is awarded to the student for their dedication and hard work.
